Welcome to OUR CHAPTER

Aloha Kakou and welcome to our Five Star Hawaii Aloha Chapter MOAA. Chartered in 1959, we enjoy a distinguished record of grassroots support of MOAA in promoting a strong national defense and ensuring our nation keeps it's commitment to all veterans and their families. We are no less committed to our military community in Hawaii.

From testimony before the state legislature, assisting surviving spouses in their time of greatest need, awarding scholarships to deserving Junior ROTC cadets, keeping our more than 420 members informed and enjoying the comradely of old and new friends, we're confident you'll find membership in our chapter richly rewarding and will want to attend our monthly luncheons and other activities whenever possible.

We might add that in Hawaii we also have the Aloha Chapter, another excellent MOAA chapter we often share programs with. In the future you might also consider being a member of both chapters as several of us do.
